

## **Puget Sound Business Journal Names Anderson Construction Group, Inc. a Fastest-Growing Private Company in 2008**

DECEMBER 1, 2008

Seattle, WA – Anderson Construction Group, Inc. (ACG) was named a Fastest-Growing Private Company by the Puget Sound Business Journal in its annual Fastest Growing Private Company list in 2008. ACG was ranked in the 106<sup>th</sup> position for sales growth over 2005-2007 with an increase of 57%.

The Fastest-Growing Private Companies program was launched 14 years ago by the Puget Sound Business Journal to identify and recognize companies speeding to the top of their industries. To be eligible, companies must: be privately held and headquartered in Washington; have at least \$500,000 in net revenue in 2005; show an overall growth from 2005 to 2007 fiscal years; and agree to have their CPA confirm their net operating revenues with Puget Sound Business Journal and accounting partner Grant Thornton.

“Making the mention on the List for the first year was a very exciting honor bestowed on us that all of our team can be extremely proud of,” said D. Chad Quilici, principal at ACG. “Our commitment to delivering professional management and the highest level of craftsmanship on all our projects is helping us lead the construction industry.”

About Anderson Construction Group, Inc: Building custom homes and commercial projects around the Puget Sound region of Washington State, ACG's dynamic teams are ready for the challenge of the most complex of projects. ACG exceeds the most demanding of expectations, while injecting resourcefulness and integrity into every project. With a focus on professional project management and the uncommon understanding of today's technical building systems and applications, ACG builds beyond its competitors. The results of this finely tuned process are always the same- buildings that positively shine. This approach has led ACG to the forefront of construction around the Seattle area and ultimately to the Fastest Growing Private Company List of 2008.
